MARVEL SUPER HERO ADVENTURES

starring:

**Spider-
Man**

Inferno

PETER PARKER was a normal boy from Queens, New York, until he was bitten by a radioactive spider. Now, he has the speed, strength and agility of an arachnid, plus his “spider-sense,” a special awareness of nearby danger. After learning that with great power there must also come great responsibility, he became the crimefighting super hero **SPIDER-MAN**.

DANTE PERTUZ is an Inhuman, one of millions of people born with special DNA that contains super-powers. When he was exposed to a unique chemical called Terrigen Mist, Dante’s powers activated, and he discovered that he can blast fire from any part of his body! He took the codename **INFERNO** and joined other Inhumans in the fight against bad guys everywhere!
