

What is the Hulk?

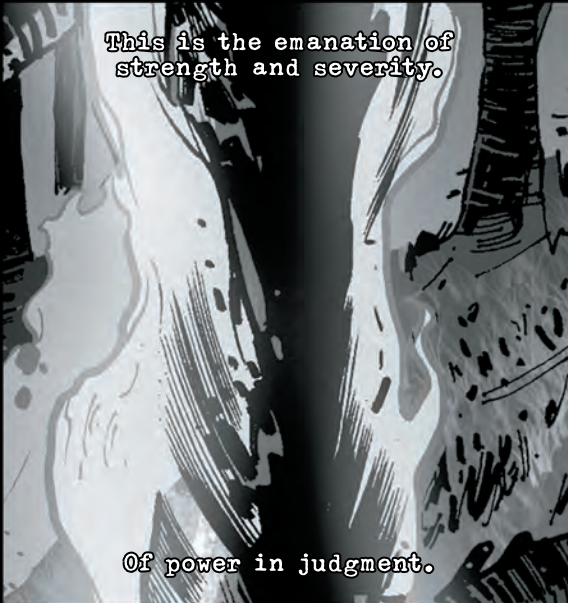

We have spoken of the wrath
of God, and of the form
that might take.

We have spoken of which
angel might deliver it.

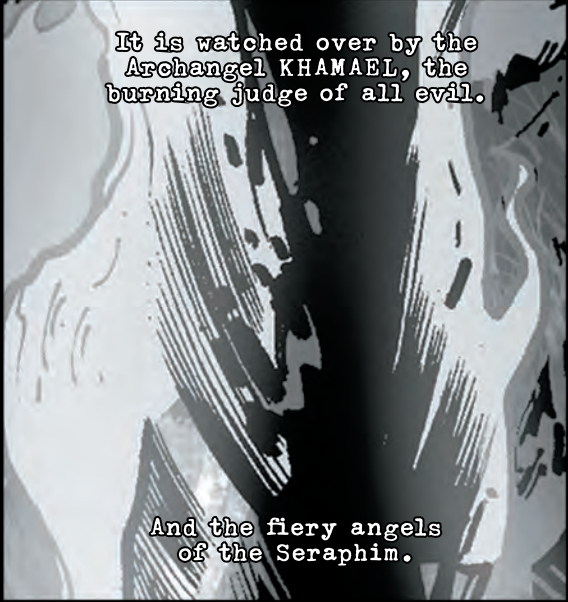

And we have spoken of the
Tree of Life. Of the ten
spheres, the emanations
of the divine.

And one of these
emanations is
called Geburah.

This is the emanation of
strength and severity.

Of power in judgment.

It is watched over by the
Archangel KHAMAEL, the
burning judge of all evil.

And the fiery angels
of the Seraphim.

This is the face
that turns away.

The fire that
burns away evil.

Burns it to its very root.

**I HAVE ALL THE

"THERE'S AN IDEA IN SCIENCE CALLED THE *THEORY OF EVERYTHING*."

"THE HYPOTHETICAL *MASTER THEORY*--A COHERENT, UNIFIED FRAMEWORK OF PHYSICS THAT INCLUDES, EXPLAINS AND PREDICTS *ALL PHENOMENA*."

SCIENCE HASN'T QUITE FOUND ONE YET.

THIS A LECTURE TOUR, JUDD? KEEP YOUR VOICE DOWN--

THE REASON BEING, MR. CREEL... IT'S SCIENCE. IT'S ONLY HALF THE PICTURE.

THERE IS SCIENCE-- BUT THERE IS ALSO MAGIC, EH?

AND GAMMA IS A LITTLE OF BOTH.
