

Molly?!

Alex,
please, can
I come with
you?

Molly...

RUNAWAYS

BUT YOU CAN'T HIDE (PT 1)

NO.

Go home. Now. Before they notice you're gone.

Why can't I go with you?

Because I can't take care of you, for starters.

I can take care of myself! I'm a Runaway!

I don't have anywhere to put you--I don't have a Hostel. I don't have a roof.

I don't need a roof!

You're ten years old, you need a roof.

I'm thirteen! And I'll be fine wherever you are.

Alex... Please...

No.

Alex!

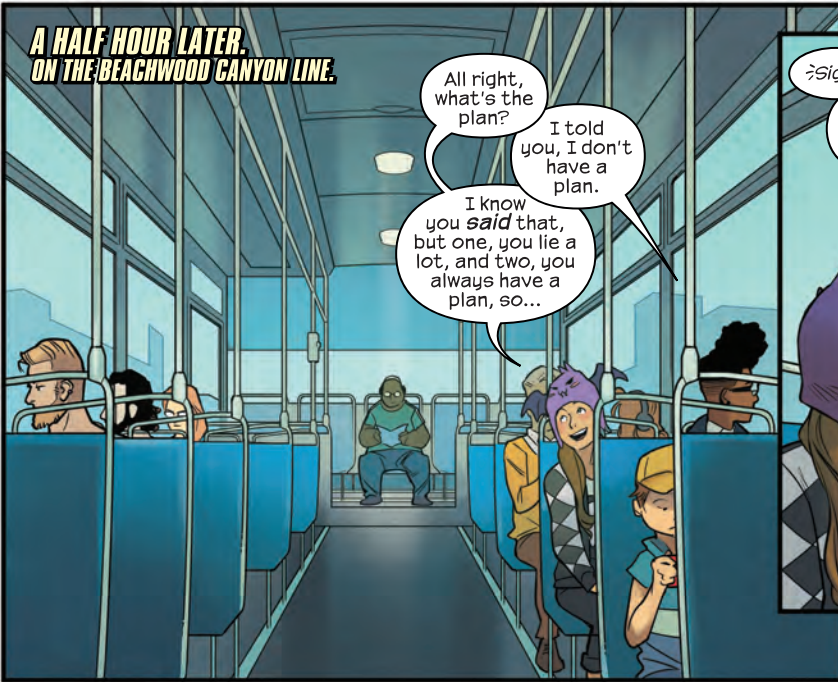

I know how to bring back our parents!

If you're coming with me, you better move quick.

**A HALF HOUR LATER.
ON THE BEACHWOOD CANYON LINE.**

All right, what's the plan?
I told you, I don't have a plan.
I know you *said* that, but one, you lie a lot, and two, you always have a plan, so...

Sigh
I've never ridden on a bus before.
Welcome to the glamorous life.
Can't you use your ghost powers to fly places?

I don't really have ghost powers...

You can't float through walls?
No.
Can you visit the underworld?
No.
Can you-- what else do ghosts do-- can you warn people about the future?
Well, I tried to warn *you* not to come with me.

What's the point of being a ghost if you don't have ghost powers?
I wish I knew.

Hey. I like your hat.
