

**MED-X-TRONICS.
QUEENS,
NEW YORK.**

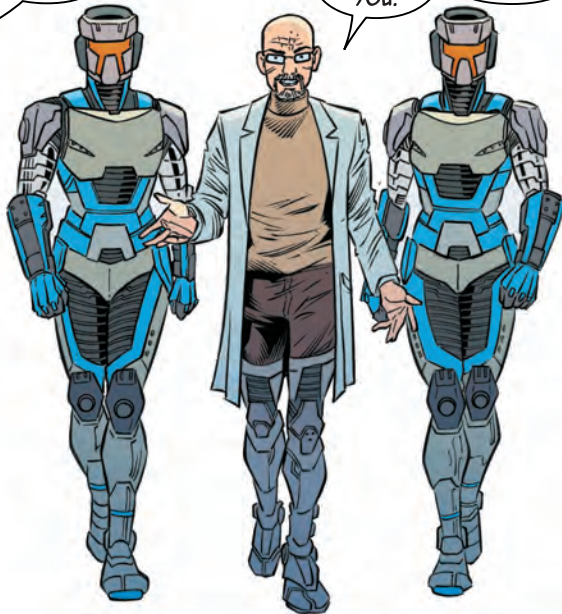

X-23.

WELCOME
TO THE FUTURE
OF CYBERTRONIC
WEAPONS
SYSTEMS.

ROBERT
CHANDLER.

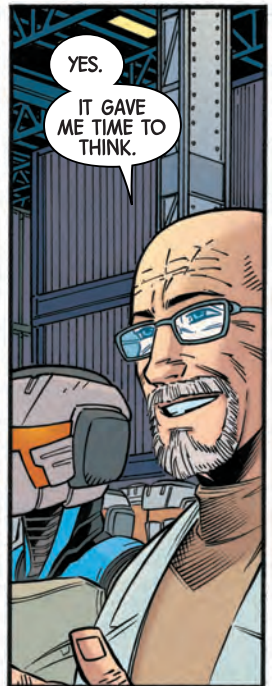

I'VE BEEN
MEANING
TO THANK
YOU.

YOU KNOW,
YOU DID ME A
FAVOR--

WHEN
I CRIPPLED
YOU?*

YES.
IT GAVE
ME TIME TO
THINK.

*LAURA SLASHED
CHANDLER'S HAMSTRING IN
ALL-NEW WOLVERINE #6! --DS

"ABOUT MY PAST MISTAKES. WHERE
I WENT WRONG IN CREATING THE
ULTIMATE WEAPON."

YOUR ACTIONS
INSPIRED THIS
INNOVATION.

ALONG
WITH A LITTLE
LUCK.

WANT TO
KNOW WHAT
IT IS?

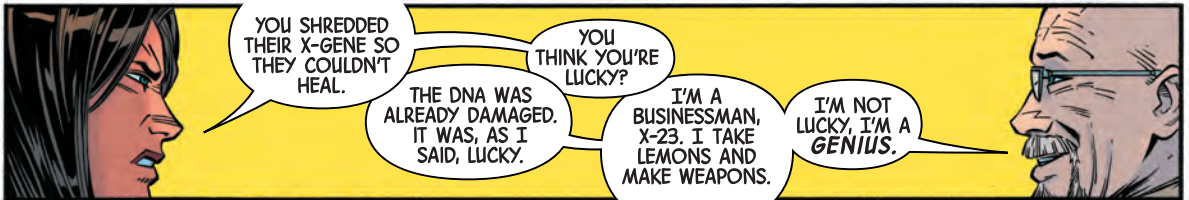

PLANNED
OBSCULENCE.

ASSASSINS
DESIGNED TO
FIGHT TO THE
BITTER END.

AND
THEN DIE.

A SOLDIER THAT
CANNOT SURVIVE
PAST ITS
PURPOSE.

GOOD FOR THE CLIENT.
EVEN BETTER FOR THE
MANUFACTURER.

YOU SHREDDED
THEIR X-GENE SO
THEY COULDN'T
HEAL.

THE DNA WAS
ALREADY DAMAGED.
IT WAS, AS I
SAID, LUCKY.

YOU
THINK YOU'RE
LUCKY?

I'M A
BUSINESSMAN,
X-23. I TAKE
LEMONS AND
MAKE WEAPONS.

I'M NOT
LUCKY, I'M A
GENIUS.

WOW.

YOU
KNOW...

...I'M PRETTY
SICK OF
LISTENING
TO GENIUSES
LIKE YOU.

I MEAN, I COULD GIVE YOU A WHOLE SPEECH.

BUT I'D RATHER JUST END THIS.

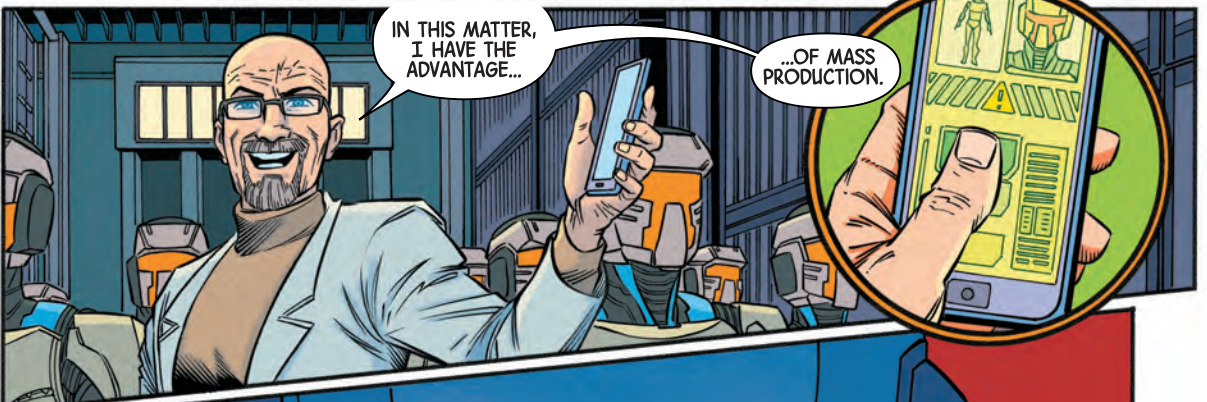

SNIKT

YES, I THANK YOU FOR GIVING ME A CHANCE TO ERASE PAST MISTAKES.

IT'S GOING TO BE VERY... **SATISFYING** TO SEE THE NEW MODELS TEAR THE OLD ONE TO PIECES.

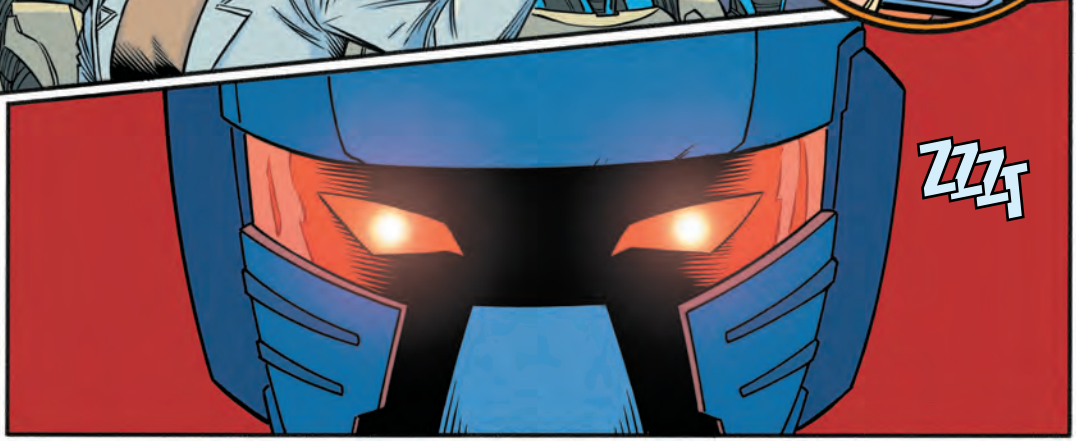

YOU THINK YOUR DISPOSABLE ARMY CAN TAKE ME DOWN?

IN THIS MATTER, I HAVE THE ADVANTAGE...

...OF MASS PRODUCTION.

ZZZ
