

POWER & RESPONSIBILITY

"Common sense is not so common." --Voltaire

MIDTOWN.

Face it...

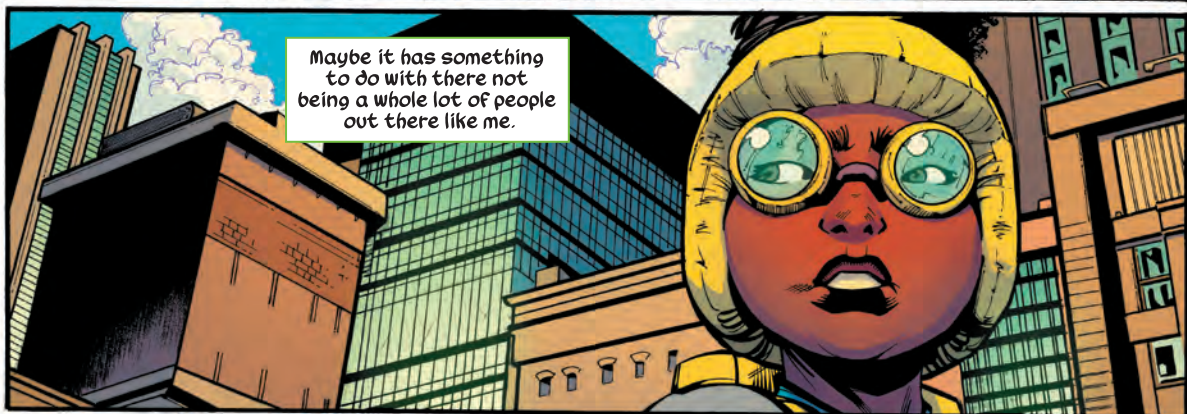

...not everyone likes me.

Maybe it has something to do with there not being a whole lot of people out there like me.

Maybe.

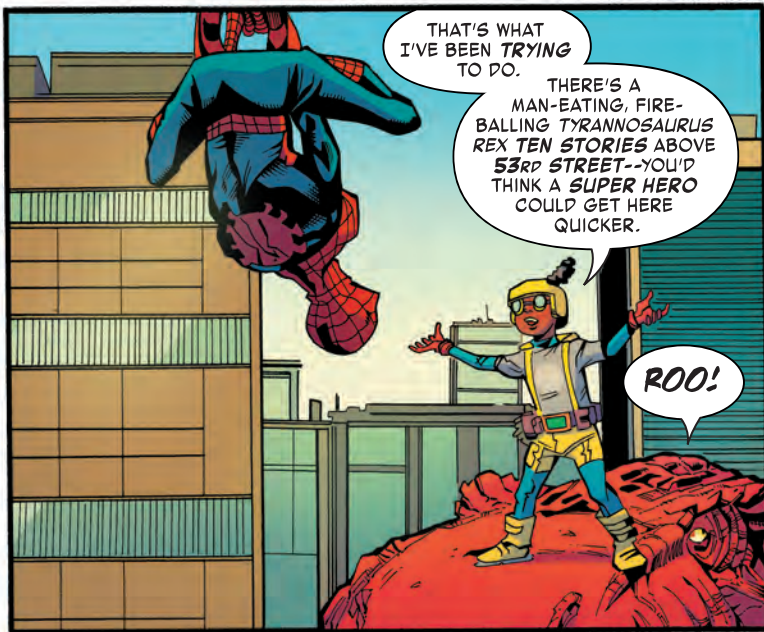

Maybe not.

HEADS UP, MOON GIRL...

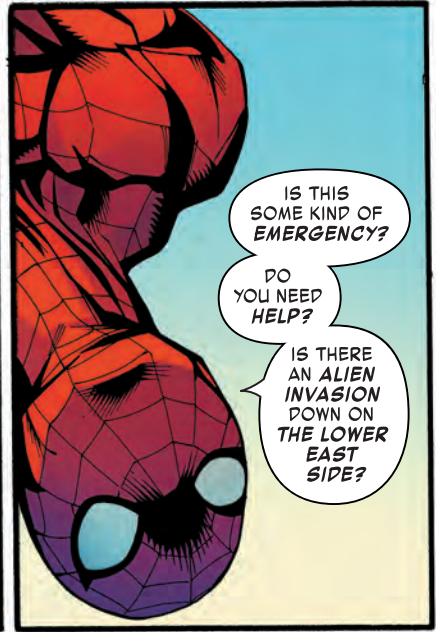

...YOU GOT MY ATTENTION.

THAT'S WHAT I'VE BEEN TRYING TO DO.

THERE'S A MAN-EATING, FIRE-BALLING TYRANNOSAURUS REX TEN STORIES ABOVE 53RD STREET--YOU'D THINK A SUPER HERO COULD GET HERE QUICKER.

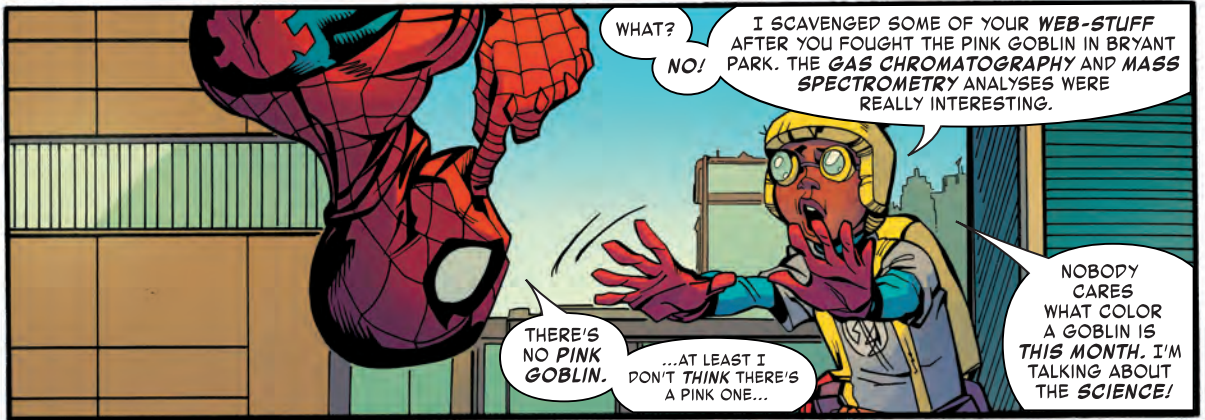

ROO!

IS THIS SOME KIND OF EMERGENCY?

DO YOU NEED HELP?

IS THERE AN ALIEN INVASION DOWN ON THE LOWER EAST SIDE?

WHAT?

I SCAVENGED SOME OF YOUR WEB-STUFF AFTER YOU FOUGHT THE PINK GOBLIN IN BRYANT PARK. THE GAS CHROMATOGRAPHY AND MASS SPECTROMETRY ANALYSES WERE REALLY INTERESTING.

NO!

THERE'S NO PINK GOBLIN.

...AT LEAST I DON'T THINK THERE'S A PINK ONE...

NOBODY CARES WHAT COLOR A GOBLIN IS THIS MONTH. I'M TALKING ABOUT THE SCIENCE!

WHERE ARE YOU GOING?

I DON'T HAVE TIME FOR THIS FOOLISHNESS!

THAT'S MY LINE!

RAH!
