

THE SCOURGING OF SHU-TORUN

Part III

Princess Leia, Luke Skywalker, Han Solo and a crack team of rogues have landed on Shu-Torun with a dangerous plan to bring down the traitorous Queen Trios once and for all.

After infiltrating the Abyssal Rooms to steal a scan of the Queen's eye with the help of the shape-shifter Tunga, Leia's team has locked the entire planet down.

Now, Luke's team is free to disable the Spike, the only structure keeping the volatile volcanic planet stable. But the clock is ticking, and Leia's risky plan could be exposed and foiled at any moment. . . .
