

2,000 YEARS FROM NOW.

NOT THAT I HAVE DOUBTS THAT THIS HAS BEEN CONSIDERED...

...BUT COULD SOMEONE PLEASE TELL ME HOW WE'RE SUPPOSED TO FIND CABLE NOW THAT WE'RE HERE?

I WAS UNABLE TO BRING US TO THE EXACT LOCATION OF THE ORIGINAL DESTINATION POINT...

...BUT CAN CONFIRM THAT WE ARE WITHIN 23.75 TO 158.463 KILOMETERS OF WHERE CABLE AND STRYFE WOULD HAVE LANDED.

YO, THAT'S A PRETTY BIG DIFFERENCE. CAN'T YOU JUST ASK YOUR TACKY POSSIBILITY CONVERTER?

MY TACHYON PROBABILITY GENERATOR ONLY CONTAINS DATA AS FAR FORWARD AS 25 YEARS FROM YOUR TIMELINE.

WHILE IT CONTAINS A MULTITUDE OF PROBABILITIES AND LIKELY OUTCOMES FOR SEVERAL YEARS BEYOND, IT CANNOT MAKE PREDICTIONS FOR 2,000 YEARS IN THE FUTURE WITH ANY DEGREE OF EFFICIENCY.

I WILL COLLECT MORE DATA SO THAT WE CAN MORE ACCURATELY PREDICT EVENTS IN THIS TIMELINE, SHOULD WE FEEL THE NEED TO RETURN HERE.

MY FLOCK.

I HAVE RETURNED FROM THE TIME-STREAM.

"NO" WOULD HAVE BEEN AN ACCEPTABLE ANSWER, CHATBOT.

WE GO THIS WAY.

YOU'VE GOT TO BE KIDDING ME.

RACHEL?!

THE ASKANI REVERE HER LIKE A GODDESS HERE, SHATTERSTAR.

I WILL BE WAITING FOR YOU IN EBONSHIRE.

PLEASE COME TO ME. LET US ONCE AGAIN JOIN TOGETHER.

DOLLARS TO DOUGHNUTS, WE'LL FIND THE INFORMATION WE NEED IN EBONSHIRE.

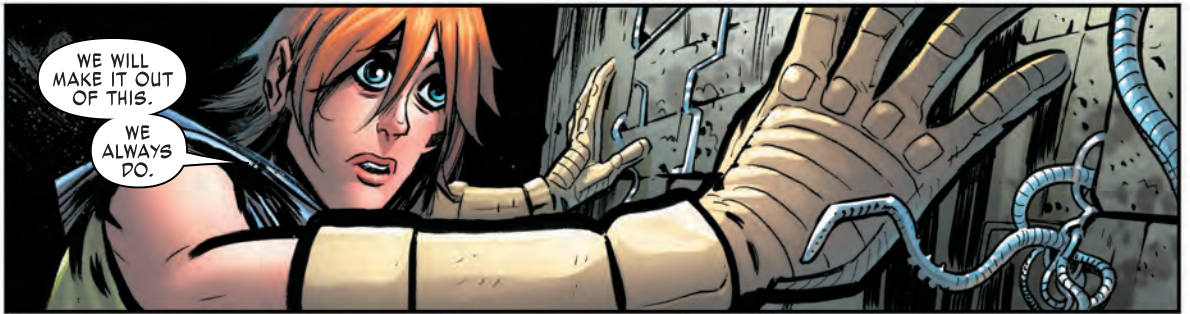

**NEW CANAANITE
STOCKADES.**

YOU'RE CARRYING TOO MUCH ON YOUR SHOULDERS, NATHAN.

THE CLAN CHOSEN ARE NOT HELPLESS WITHOUT YOU. THIS IS AS MUCH OUR FAULT AS YOURS.

WE WILL MAKE IT OUT OF THIS.

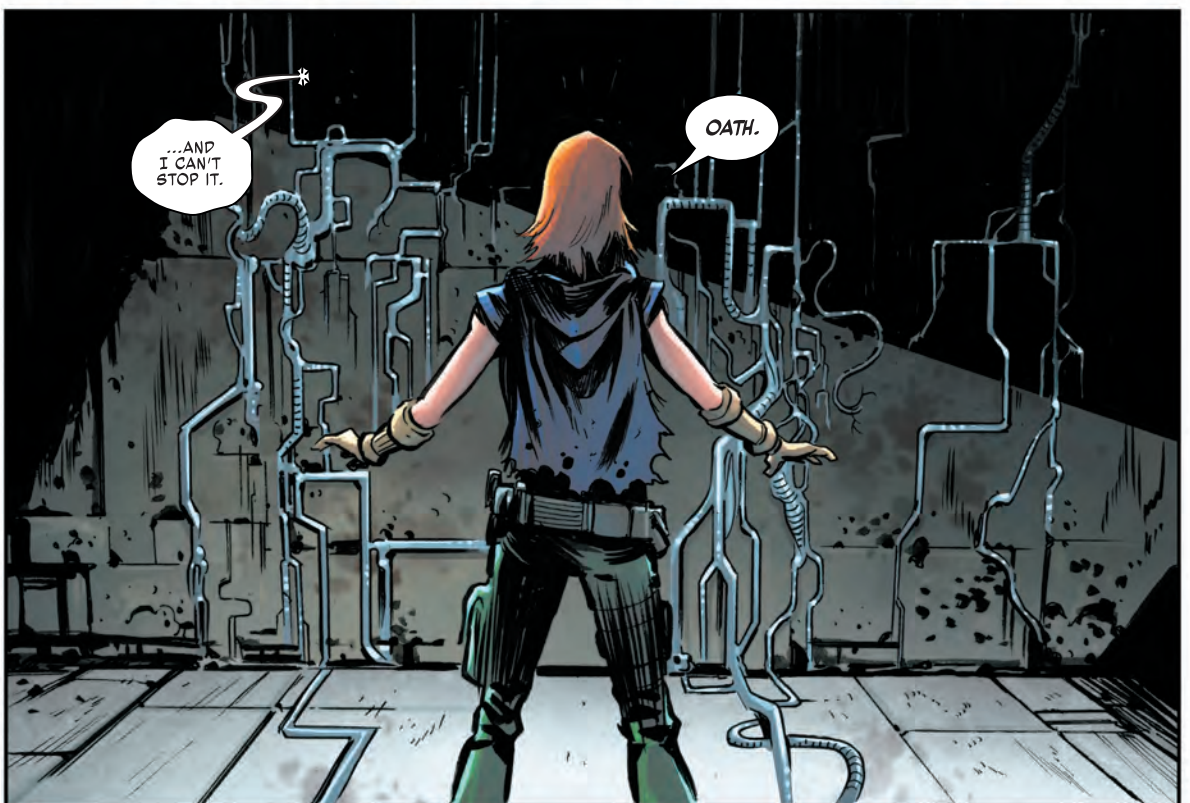

WE ALWAYS DO.

ALIYA...

...THIS POWER DAMPENER THEY'VE PLACED ON ME... I CAN'T HOLD BACK THE TECHNO-ORGANIC VIRUS WITH MY TELEKINESIS ANYMORE.

IT'S CONSUMING ME... SPREADING...

...AND I CAN'T STOP IT.

OATH.
