SAVAGE AVENGERS

Chapter Three: CROM WHISPERS

Since Kulan Gath, the Sickie Priest and the Hand banded together to slay powerful warriors and use their blood to summon Jhoatun Lau, the Marrow God, the City of Sickies has had its fair share of deadly visitors.

Among these visitors is Conan the Barbarian, who was searching for a valuable amulet possessed by Kulan Gath. He managed to distract the sorcerer by releasing an imprisoned symbiote and escaped with the amulet while Kulan Gath maimed the creature.

Kulan Gath's other targets, Wolverine and Doctor Voodoo, are fighting for their lives elsewhere in the city. But the Punisher just entered the fray on a mission of vengeance after his family's bodies were stolen. And if Frank's learned anything over the years, it's to never enter a fight unprepared...
