CAPTAIN AMERICA

CAPTAIN OF NOTHING: PART VI
BY TA-NEHISI COATES & ADAM KUBERT

Hydra conquered the United States following a leader with Steve Rogers' face. Captain America returned, and Hydra fell, but a new threat known as the Power Elite has emerged and framed Steve for the murder of Thunderbolt Ross.

Steve turned himself in voluntarily and was sent to the Myrmidon, a privatized prison run by Power Elite member Wolfgang von Strucker. Fearing for Steve's life, Sharon Carter recruited the mysterious Daughters of Liberty and their leader, the Dryad, to break him out by inciting a riot.

Now Steve is free, but after the Power Elite's propaganda machine declared him and the Hydra Supreme to be one and the same...will he be safe anywhere?
